Purposes of Data Processing

The Organisation collects and processes personal data about employees and job applicants for the following purposes: -

- To determine recruitment and selection decisions on prospective employees;
- In order to carry out effective performance of the employees contract of employment and to maintain employment records;
- To comply with regulatory requirements and good employment practice;
- To carry out vetting and screening of applicants and current staff in accordance with regulatory and legislative requirements;
- Enable the development of a comprehensive picture of the workforce and how it is deployed and managed;
- To enable management and planning of the workforce, including accounting and auditing;
- Personnel management including retention, sickness and attendance;
- Performance reviews, managing performance and determining performance requirements;
- In order to manage internal policy and procedure;
- Human resources administration including pensions, payroll and benefits;
- To determine qualifications for a particular job or task, including decisions about promotions;
- Evidence for possible disciplinary or grievance processes;
- Complying with legal obligations;
- To monitor and manage staff access to our systems and facilities in order to protect our networks, the personal data of our employees and for the purposes of safeguarding;

- Network and information security, including preventing unauthorised access to our computer network and communications systems and preventing malicious software distribution;
- Education, training and development activities;
- To monitor compliance with equal opportunities legislation;
- Determinations about continued employment or engagement;
- Arrangements for the termination of the working relationship;
- Dealing with post-termination arrangements;
- Health and safety obligations; and
- Fraud.

The Organisation collects and processes personal data (including special category data) about students and parents for the following purposes: -

- For the purposes of pupil selection (and to confirm the identity of prospective students and their parents);
- To provide education services and extra-curricular activities to students, and monitoring students' progress and educational needs;
- To derive statistics which inform decisions such as the funding of organisations
- To assess performance and to set targets for organisations;
- To safeguard students' welfare and provide appropriate pastoral (and where necessary medical) care;
- To give and receive information and references about past, current and prospective students, and to provide references to potential employers of past students;
- In order to manage internal policy and procedure;
- To enable students to take part in national or other assessments, and to publish the results of public examinations or other achievements of students of the organisation;
- For the purposes of management planning and forecasting, research and statistical analysis, including that imposed or provided for by law (such as diversity or gender pay gap analysis);
- For legal and regulatory purposes (for example child protection, diversity monitoring and health and safety) and to comply with its legal obligations and duties of care;
- To enable relevant authorities to monitor the organisation's performance and to intervene or assist with incidents as appropriate;
- To monitor (as appropriate) use of the organisation's IT and communications systems in accordance with the organisation's IT security policy;
- To make use of photographic images of students in organisation publications, on the organisation website and (where appropriate) on the organisation's social media channels;
- For security purposes, including CCTV in accordance with the organisation's CCTV policy; and
- Where otherwise reasonably necessary for the organisation's purposes, including to obtain appropriate professional advice and insurance for the organisation.

The Organisation collects and processes personal data (including special category data) about students and parents for the following purposes: -

- To enable us to comply with legal obligation and our public task to ensure appropriate governance of the organisation;

- To ensure that those governors appointed are done so in accordance with legal requirements;
- To ensure that governors contact details are available as required to enable them to carry out their public duty;

The Organisation collects and processes personal data about vendors and suppliers for the following purposes: -

- To obtain products and services;
- To enable those suppliers to provide services to the Organisation to enable them to carry out employment and education based functions;
- For supplier administration and management including evaluation potential suppliers and accounts management;

Categories of Personal Data Recipients

The Organisation discloses personal data to the following categories of recipients: -

- the Department for Education (DfE) - on a statutory basis under section 3 of The Education (Information About Individual Students) (England) Regulations 2013;
- Ofsted;
- Youth support services – under section 507B of the Education Act 1996, to enable them to provide information regarding training and careers as part of the education or training of 13-19 year olds];
- Other Organisations that students have attended/will attend;
- NHS;
- Welfare services (such as social services);
- Law enforcement officials such as police, HMRC;
- LADO;
- Training providers;
- Professional advisors such as lawyers and consultants;
- Support services (including HR support, insurance, IT support, information security, pensions and payroll);
- The local authority;
- Occupational Health;
- DBS; and
- Recruitment and supply agencies.

The Organisation ensure that reasons for sharing data with those organisations are in accordance with the UK GDPR and put in place appropriate safeguards for any personal data transfers.

Personal Data Retention Periods

Except as otherwise permitted or required by applicable law or regulation, the Organisation only retains personal data for as long as necessary to fulfil the purposes they collected it for, as required to satisfy any legal, accounting or reporting obligations, or as necessary to resolve disputes.

To determine the appropriate retention period for personal data, the Organisation considers the amount, nature, and sensitivity of personal data, the potential risk of harm from unauthorised use or disclosure of personal data, the purposes for processing the personal data, whether we can fulfil the purposes of processing by other means and any applicable legal requirements. The Organisation has a retention policy which it abides by which contains further details about how it retains data.

The Organisation typically retains personal data for 6 years subject to any exceptional circumstances or to comply with laws or regulations that require a specific retention period.

Technical and Organisational Security Measures

The Organisation has implemented the following technical and organisational security measures to protect personal data: -

- Encryption of personal data (including the use of secure passwords);
- Segregation of personal data from other networks;
- Access control and user authentication;
- Employee training on data protection and information security;
- Written information security policies and procedures;
- Impact assessments and evaluation of risks to personal data;

Changes To This Record Of Processing Activities

The Organisation reserves the right to amend this record of processing activities from time to time consistent with the UK GDPR and other applicable data protection requirements including ICO guidance.
